meditation there is a buzz around that word right now we've heard of companies like apple google and nike incorporating meditation into the work day most of us have probably tried to meditate at one point or another but the vast majority of us have failed the average person has 48 6 thoughts per minute according to the laboratory of neuro imaging at the university of southern california that adds up to 70 000 thoughts per day running wildly and rapidly through your brain trying to stop those thoughts is

like trying to stop a speeding train with your hand this book will give you the tools to control your thoughts and achieve the health benefits decrease in stress and anxiety decrease in blood pressure increase in your immune system and more that meditation has to offer using the tools in this book will help you listen to what your soul has been trying to tell you for too many years

the grand narrative of christianity that the bible created is dead and the bible is silent does the bible have anything relevant to say to our modern circumstances we ask where did god come from what happened to god god s autopsy reinterprets soul and god as historical psychological phenomena related to the cultural structure of consciousness the invisible shared context of thought which has changed dramatically over the past three millennia this book offers a new way to understand the trajectory of western civilization by making the implicit foundation of western consciousness soul visible and conscious our modern western consciousness is radically different from that of antiquity when the bible emerged jung s psychological philosophical insight that whenever we speak about the psyche it is the psyche speaking about itself leads to the realization that today consciousness has come home to itself beginning with preliterate polytheism the emergence of the transcendent god yahweh and christ which led directly to the enlightenment objective soul continues to unfold itself how did late modernity become a topsy turvy quantum virtual digital impersonal and abstract world that appears to be running away from us the answer is unexpectedly and shockingly in the bible itself

the great university of life is about waking up to a remarkably expanded view of life on planet earth it shares a soul journey many millennia in the making and how the author became aware of his soul history he explains that a unique soul history is just the nature of creation being engaged in an eternal soul journey is perfectly normal and common to each of us the only unusual aspect of the soul journey described in the great university of life is awareness of it during earthly life your soul already knows these things the author shared his transformation in life understanding and offers insights to help readers open awareness of their own soul story he believes that life is created to hold meaning and joy and advises us to relax and trust the process

i share with you that your value came from eternity and goes on to eternity so when you know how loved you are clear down in the depth of your soul mind and heart then this gives you great strength and foundation so whatever you do in life you will do well choose well and love well in the beginning before we were born in human form we were spirit beings and before we were spirit beings we were intelligences so i wanted to share who you are with you so in fiction form and with much anticipation i bring you up to heaven to the heavenly father and heavenly mother as they begin their journey to find you
